

COVID-19 Travel Policy Guide

Mexico Travel Requirements

To Enter:

- There are currently no vaccine or testing requirements.
- A health screening will take place upon arrival.
- We highly suggest you complete a declaration of health with Mexico:
www.vuelaseguro.com/login

To Exit:

- Air travelers are required to show documentation of a negative viral test result taken within one day of the flight's departure.
 - For those age 2 years and older.
 - Regardless of nationality or vaccination status.
 - If you recently recovered from COVID-19, you may instead travel with documentation of recovery.

International & Domestic Hotel Guidelines

Rosewood Mayakoba | Riviera Maya, Mexico

The hotel is offering testing (Antigen - \$15 each, PCR - \$80 each) on-site.

St. Regis Punta Mita | Punta de Mita, Mexico

The hotel offers guests complimentary testing. This is valid for up to two registered guests per room per stay; and for guests staying three consecutive nights or longer.

Ritz-Carlton | Grand Cayman

To enter the island, all arrivals must have proof of vaccination and negative test results (includes exit). At the hotel, face coverings are required in all indoor public areas.

Carneros Resort & Spa | Napa Valley, CA

Resort follows state and local mandates. Face coverings are required in all indoor public areas.

Disclaimer: Please check with your airline and hotel for additional mandates prior to travel. COVID-19 travel policies are subject to change.
